

## Right Touch Regulation

### Competency Checklist

#### Your Learning Competencies

- ☐ **I can identify** the six core principles of Right Touch Regulation (Proportionate, Consistent, Targeted, Transparent, Accountable, Agile) in practical contexts
- ☐ **I can apply** the eight implementation elements of Right Touch Regulation to address real-world regulatory challenges systematically
- ☐ **I can evaluate** regulatory scenarios to determine proportionate responses that balance public protection with regulatory burden
- ☐ **I can analyze** problems before developing solutions, using evidence-based approaches to understand scope and specific nature of regulatory issues
- ☐ **I can assess** risk levels by quantifying and qualifying potential harms to guide appropriate regulatory interventions
- ☐ **I can justify** regulatory decisions using Right Touch principles to demonstrate proportionate and targeted approaches to stakeholders
- ☐ **I can distinguish** between "Right Touch" and "light touch" regulation, recognizing when strong intervention is appropriate for high-risk situations

This competency checklist serves as a record of learning objectives achieved in the Right Touch Regulation module.
