

CLEAR LEARNING

Quality Assurance Programs

Competency Checklist

Your Learning Competencies

- ☐ **I can explain** what quality assurance programs are and the purposes they serve
- ☐ **I can describe** different QA program models and participant selection approaches
- ☐ **I can develop** assessment standards from regulatory and professional sources
- ☐ **I can create** specific, measurable assessment criteria
- ☐ **I can categorize** findings by severity and determine proportionate responses
- ☐ **I create** improvement plans with clear action steps and timelines
- ☐ **I can identify** when findings require referral to formal enforcement

This competency checklist serves as a record of learning objectives achieved in the Quality Assurance Programs module.
